

Technical Guide: WWE Credit Card

1. Introduction:

The WWE Credit Card is a unique financial product tailored for fans of the World Wrestling Entertainment franchise. Not only does it function as a standard credit card, but it also offers rewards and benefits specifically designed for WWE enthusiasts.

2. Structure and Design of the WWE Credit Card:

2.1 Physical Attributes:

- **Size and Shape:** Standard dimensions of 85.60 × 53.98 mm (3.370 × 2.125 inches) with rounded corners.
- **Material:** Predominantly PVC plastic.
- **Embedded Technologies:** Magnetic stripe, EMV chip, and NFC for contactless payments.
- **Design:** Embellished with WWE branding, logos, and potentially popular wrestler imagery.

2.2 Data on the Card:

- **Card Number:** 16-digit identifier.
- **Cardholder Name:** Authorized user's name.
- **Expiration Date:** The card's validity end date.
- **Security Code (CVV):** A 3-digit security number.

3. Working Mechanism:

3.1 Authorization Process:

1. A merchant submits the WWE Credit Card transaction request.
2. The payment gateway or terminal validates the card's details.
3. The card-issuing bank reviews the transaction and verifies available credit.
4. The transaction is either approved or denied, with the merchant receiving feedback.

3.2 Billing Cycle:

- A monthly cycle where cardholders get a statement detailing their transactions, remaining balance, and minimum due.

4. Interest and Fees:

4.1 Interest:

- Levied on any balance unpaid after the due date.
- Determined by the card's Annual Percentage Rate (APR).

4.2 Common Fees:

- **Annual Fee:** A yearly charge for the card's usage.
- **Late Payment Fee:** Applicable if the minimum payment is not made on time.
- **Cash Advance Fee:** If cash is withdrawn using the card.
- **Foreign Transaction Fee:** For transactions not in the domestic currency.

5. Special Features and Benefits for WWE Fans:

5.1 WWE Merchandise Discounts: Cardholders may receive discounts on official WWE merchandise.

5.2 Exclusive Access: Opportunities for pre-sale tickets or VIP seating at WWE events.

5.3 Reward Points: Earn points for every purchase, with bonus points for WWE-related transactions. Points can be redeemed for WWE merchandise, event tickets, or other related experiences.

5.4 Special Edition Cards: Limited edition cards featuring popular wrestlers or iconic WWE moments might be available.

6. Security Features:

6.1 EMV Chip Technology: Generates a unique transaction code for each purchase to enhance security.

6.2 Tokenization: In digital transactions, actual card details are replaced with a unique "token" to maintain security.

6.3 Two-factor Authentication: An additional layer of security requiring two identification types for certain transactions.

7. Conclusion:

The WWE Credit Card is an ideal financial tool for avid WWE followers, providing the dual benefits of a functional credit card and exclusive WWE-centric perks. As with all credit cards, it's crucial to use the WWE Credit Card responsibly, ensuring timely payments and understanding all associated fees and charges.
